CURRENT DMV REGISTRATION: Applicant must provide registration copy reflecting the name and address where the permit will be registered. RENEWAL NOTICES OR INSURANCE ID CARDS ARE NOT ACCEPTED. One hang tag issued for each valid DMV registration copy submitted.

PROOF OF RESIDENCY: Applicant must provide entire current (last 45 days) copy of utility bill, phone bill, cable bill, bank statement or insurance declaration page reflecting resident's name and address where the permit will be registered. Property owners may submit a copy of current tax statement.

HANG TAG: The parking permit hang tag must be displayed by attaching to the rear-view mirror. Failure to place the hang tag in the specified location may result in the issuance of a parking violation. The parking permit is nontransferable to any other vehicle for which the application was made, Vehicle owners must apply for a new permit annually.

CERTIFICATION: I certify that, to the best of my knowledge, the above information is true and accurate. If applying for a residential permit of any residence for which two or more residential permits have been issued, I further certify that I do not have available off-street parking to accommodate the legally registered vehicles at this address. I understand the City of Greenville may review parking availability for this address.
